# Aramsco Rents!

Aramsco is a specialized industrial distribution company serving the **Environmental Safety, Emergency Preparedness, and Surface Preparation** markets. We bring our customers the advantage of working with a national company on a local level.

Aramsco provides valuable expertise and quality products at competitive prices, and we take pride in offering the latest technology and innovations. The Aramsco team is committed

to providing exceptional customer service.

**Construction Professionals** turn to Aramsco for their tool and equipment rental needs. We carry an extensive fleet of surface preparation rental equipment of all sizes.

Aramsco has a reputation as the place to go for rental equipment. Contact your local Aramsco representative or call us at **800.767.2616** and rent equipment today!

## SHOTBLASTERS - GRINDERS - POLISHERS SCRAPERS - SCARIFIERS - VACUUMS

Aramsco prides ourselves on not only supplying the best equipment for floor grinding and polishing, but also the most diverse offering of products.

Superior filtration combined with unparalleled performance, Aramsco offers the best and most versatile portable vacuum cleaners for fine dust collection.

Aramsco offers the best product for concrete and steel shot-blasting applications including; roadways, bridges, airport runways, warehouse and factory floors, steel surfaces, and more. Remove dirt, oil and old markings or clean your concrete surface for overlays, coatings, sealers, etc.

Floor strippers are designed for residential, light commercial and high production heavy commercial applications. Aramsco's floor removal scrapers provide the most reliable performance. With the right machine, any floor removal job is possible.
