

FIRE POWER

Heavy Duty Cleaner
Wall Wash/General Purpose Degreasing

FIRE POWER

When you need a hard hitting degreaser, you need Fire Power. Fire Power uses a powerful blend of surfactants, alkaline builders and solvents to dissolve away soot and other hard-to-clean soil from walls, paneling and wall coverings.

- Fire Power is ideally suited for cleaning smoke residues off painted walls, paneling and wall coverings.
- Simply by diluting Fire Power to the needed strength, all levels of soiling can be removed from hard surfaces that are safe with water.
- Fire Power is a hard hitting blend of surfactants, alkaline builders, and solvents.
- Utilizes two hard hitting ingredients from FLEX Powder which provide the appropriate alkalinity.
- Includes a dynamic degreasing trio of surfactants with low levels of foam.
- One of the surfactants has a slight cationic charge to draw particulate soils like soot into suspension.

Part Number: CR403GL

11.5 RTU pH

Dilution Ratio: 2-4 oz./gal.

Contents: One U.S. Gallon (3.79 Litres)

Available in Gallons and 4 x 1 gallon cases

DIRECTIONS

Remove loose soil or soot with dry cloth or dry cleaning sponge prior to cleaning. Dilute 1 part Fire Power to 4 parts water for extreme situations. Adjust dilution according to difficulty of job. Spray or wipe on diluted Fire Power. Wipe off and rinse with wet cloth. Clean in arm width sections from the bottom up. Rinse from the top down.

Add 4 oz. of Smoke & More per ready to use gallon to neutralize smoke odor while cleaning.

For woodwork, venetian blinds, plastic, vinyl, etc. dilute 1 part Fire Power to 64 parts water.

For general hard surface cleaning, like cement or concrete, dilute 1 part Fire Power to 32 parts water.
